

Broadening Horizons Assemblies 2026-2027

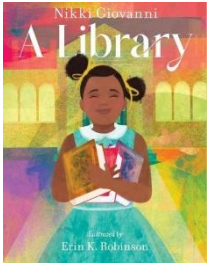

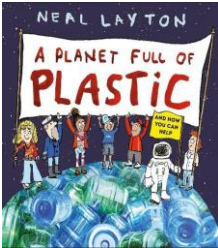

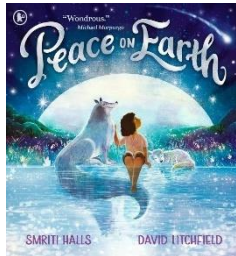

Our Broadening Horizons Assemblies are a key part of the wider Caldecote Curriculum, bringing our Curriculum Big Ideas to life through inspiring stories, people, places and experiences from around the world.

Through these assemblies, pupils explore themes such as Humankind, Environment, Creativity and Diversity, helping them to develop curiosity, empathy and a deeper understanding of the world beyond their immediate experiences.

By broadening perspectives and celebrating different cultures, achievements and ideas, these assemblies encourage children to think critically, value difference and aspire to make a positive contribution to society.
