Purple Class Home Learning
Autumn 2: Rainforests

Daily / Weekly

- **Reading**: please ensure your child is reading for at least 30 minutes a day
- **Mathletics**: 2 weekly tasks will be set to support the learning we are doing in class.
- **Spellings**: spelling patterns will be sent home at the start of half term, supporting the spellings we will be learning in class.

Topic related activities
***We would like you to complete at least 3 of these (but you can do more*!)**

- Make a 3D model of a rainforest. Can you include and label all four layers?
- Research an unusual rainforest animal and create your own fact file.
- Imagine you have crash-landed in a rainforest, just like in The Explorer. Write a story about what happens next.
- Research a tropical rainforest and create a fact file about its location, climate, plants and animals.
- Design and create your own rainforest survival kit. What would you need to survive?
- Invent your own rainforest animal. Draw it and explain how it is adapted to its environment.
- Research the average temperature and rainfall in a tropical rainforest. Can you present your findings on a graph?
- Investigate everyday foods that contain ingredients grown in rainforest regions. Can you find any in your kitchen?
- Create a colourful rainforest-inspired print using leaves, shapes or patterns.
- Research how plants reproduce. Can you draw and label the life cycle of a flowering plant?
- Create a poster explaining why rainforests are important and how we can help protect them.
- Design a rainforest-inspired recipe using ingredients such as bananas, cocoa or coconut.

Sharing your learning
Please bring your completed challenges into school or share them on Seesaw by **Friday 11th December 2026**. We look forward to celebrating your creativity and sharing your discoveries with the class! **Have fun exploring!**
