

CALDECOTE READING SPINE

'Books crowbar the world open for you – every book you read makes your imagination larger' Katherine Rundell

“Early reading, whether it is in a parent’s lap, on the carpet of a classroom, or in a snug reading corner, gently but indelibly imprints upon us the mould from which will cast a lifetime of communication in the world. “

Alex Quigley – Closing the Reading Gap 2020.

Welcome to the Caldecote Reading Spine. We update it each academic year. Teachers and pupils have contributed to some of the changes. This year we have added a collection of wordless books which encourages imagination and inference skills using pictures alone.

It is important to stress that the recommended books for each year group are **ideas to help guide** the children towards age appropriate books. We have included three levels of books dependent on your child’s reading skills. We have considered many aspects when compiling this list:

- There is a picture book **(in red bold)** included in each year group. As your child becomes a more competent reader their decoding and fluency skills improve. Sometimes, in KS2, picture books can be judged as an ‘easy read’ however these books often carry complex themes which help develop children’s inference and prediction skills. They are invaluable for discussion both within and out of the classroom setting.
- **(D)** Books with specific diversity theme,
- **(W)** Wordless books.
- Research has consistently shown that there is a gender gap in reading attainment with girls outperforming boys. Our list ensures that there are books that will encourage and enthuse both genders.
- We have included ‘aspirational’ reads. Books that are challenging including language and themes.
- We have used some titles recommended by educational experts such as Pie Corbett, The Book Trust, Books for Topics and prestigious children’s book award nominations.
- Links to our ‘cultural capital’ – exposing our children to different cultures and childhood experiences.
- A reading rich school embraces all our community. We need to work together to inspire our children to engage in the love of reading.
