

Caldecote Primary School

Happy, Healthy, High-Achieving

All About Me

(You could put a photo of your child here or they could draw a picture of themselves)

How you can use this booklet

Now that your child is starting school, we would like you to use this booklet to tell us anything you would like us to know about your child.

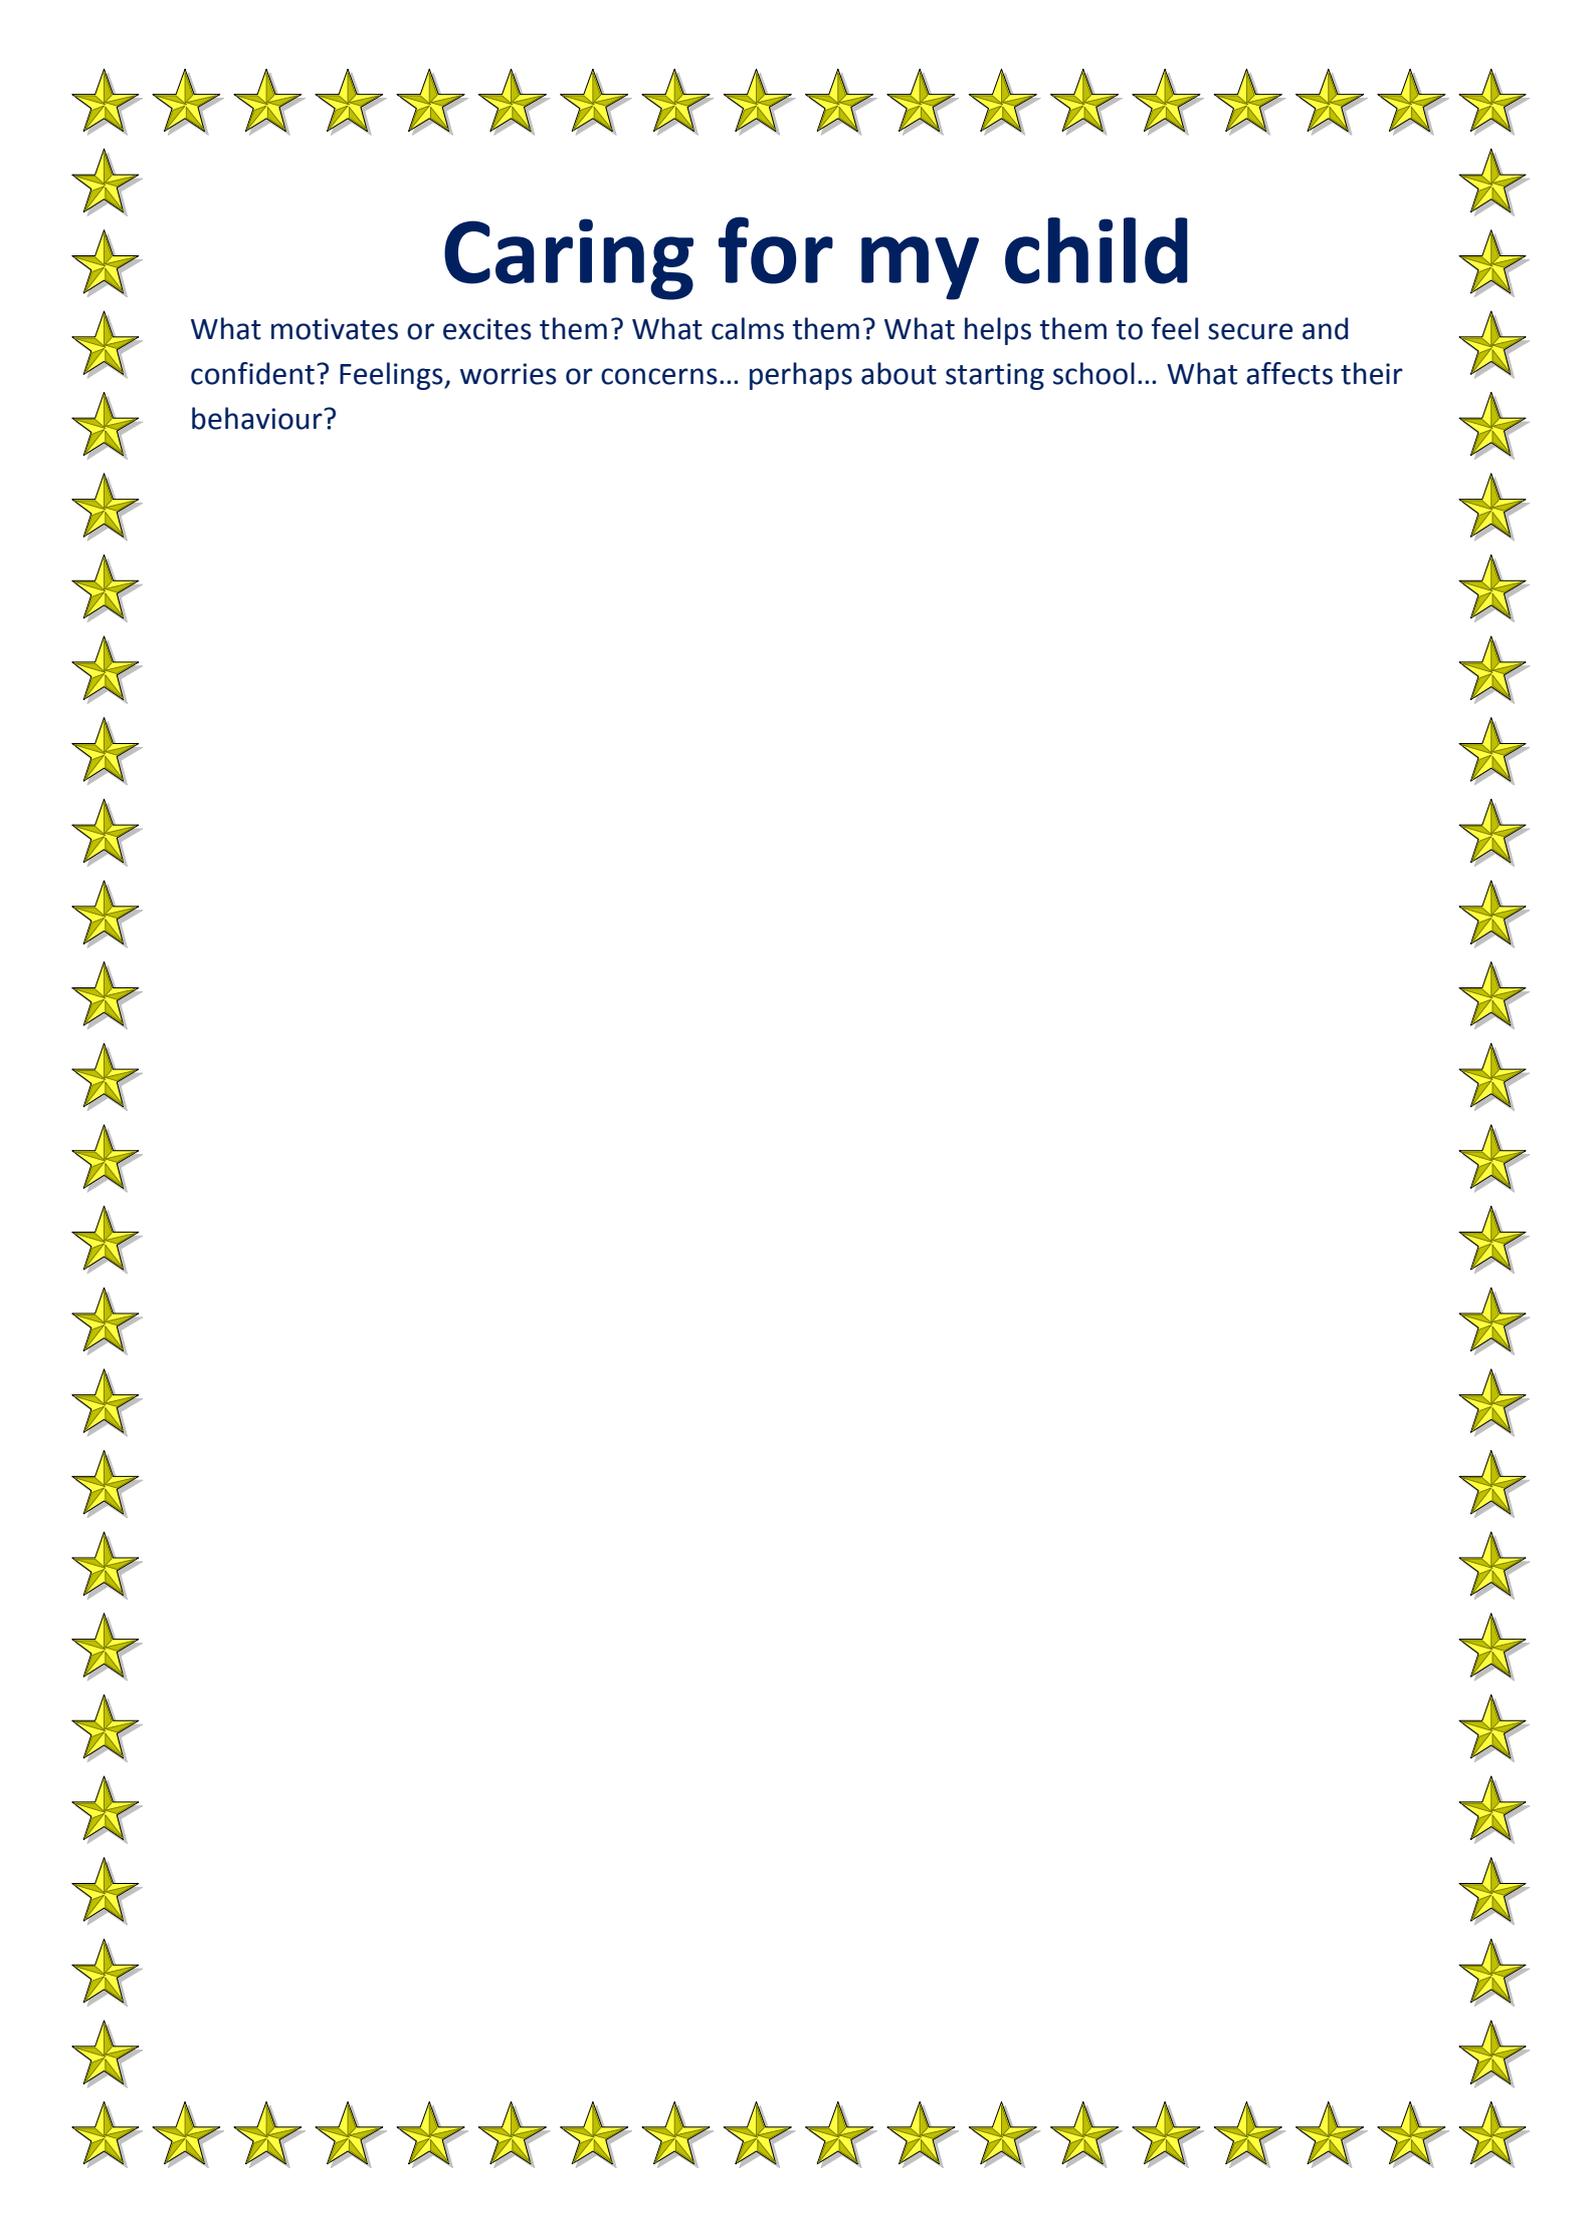

It is important that we know all about them, so that we can make sure that we provide the care and education that is best for them.

There are headings on each page and ideas of the kinds of information you may like to include. You can put photos and drawings in too.

Definitely let your child help you to decide what needs to be put in the booklet.

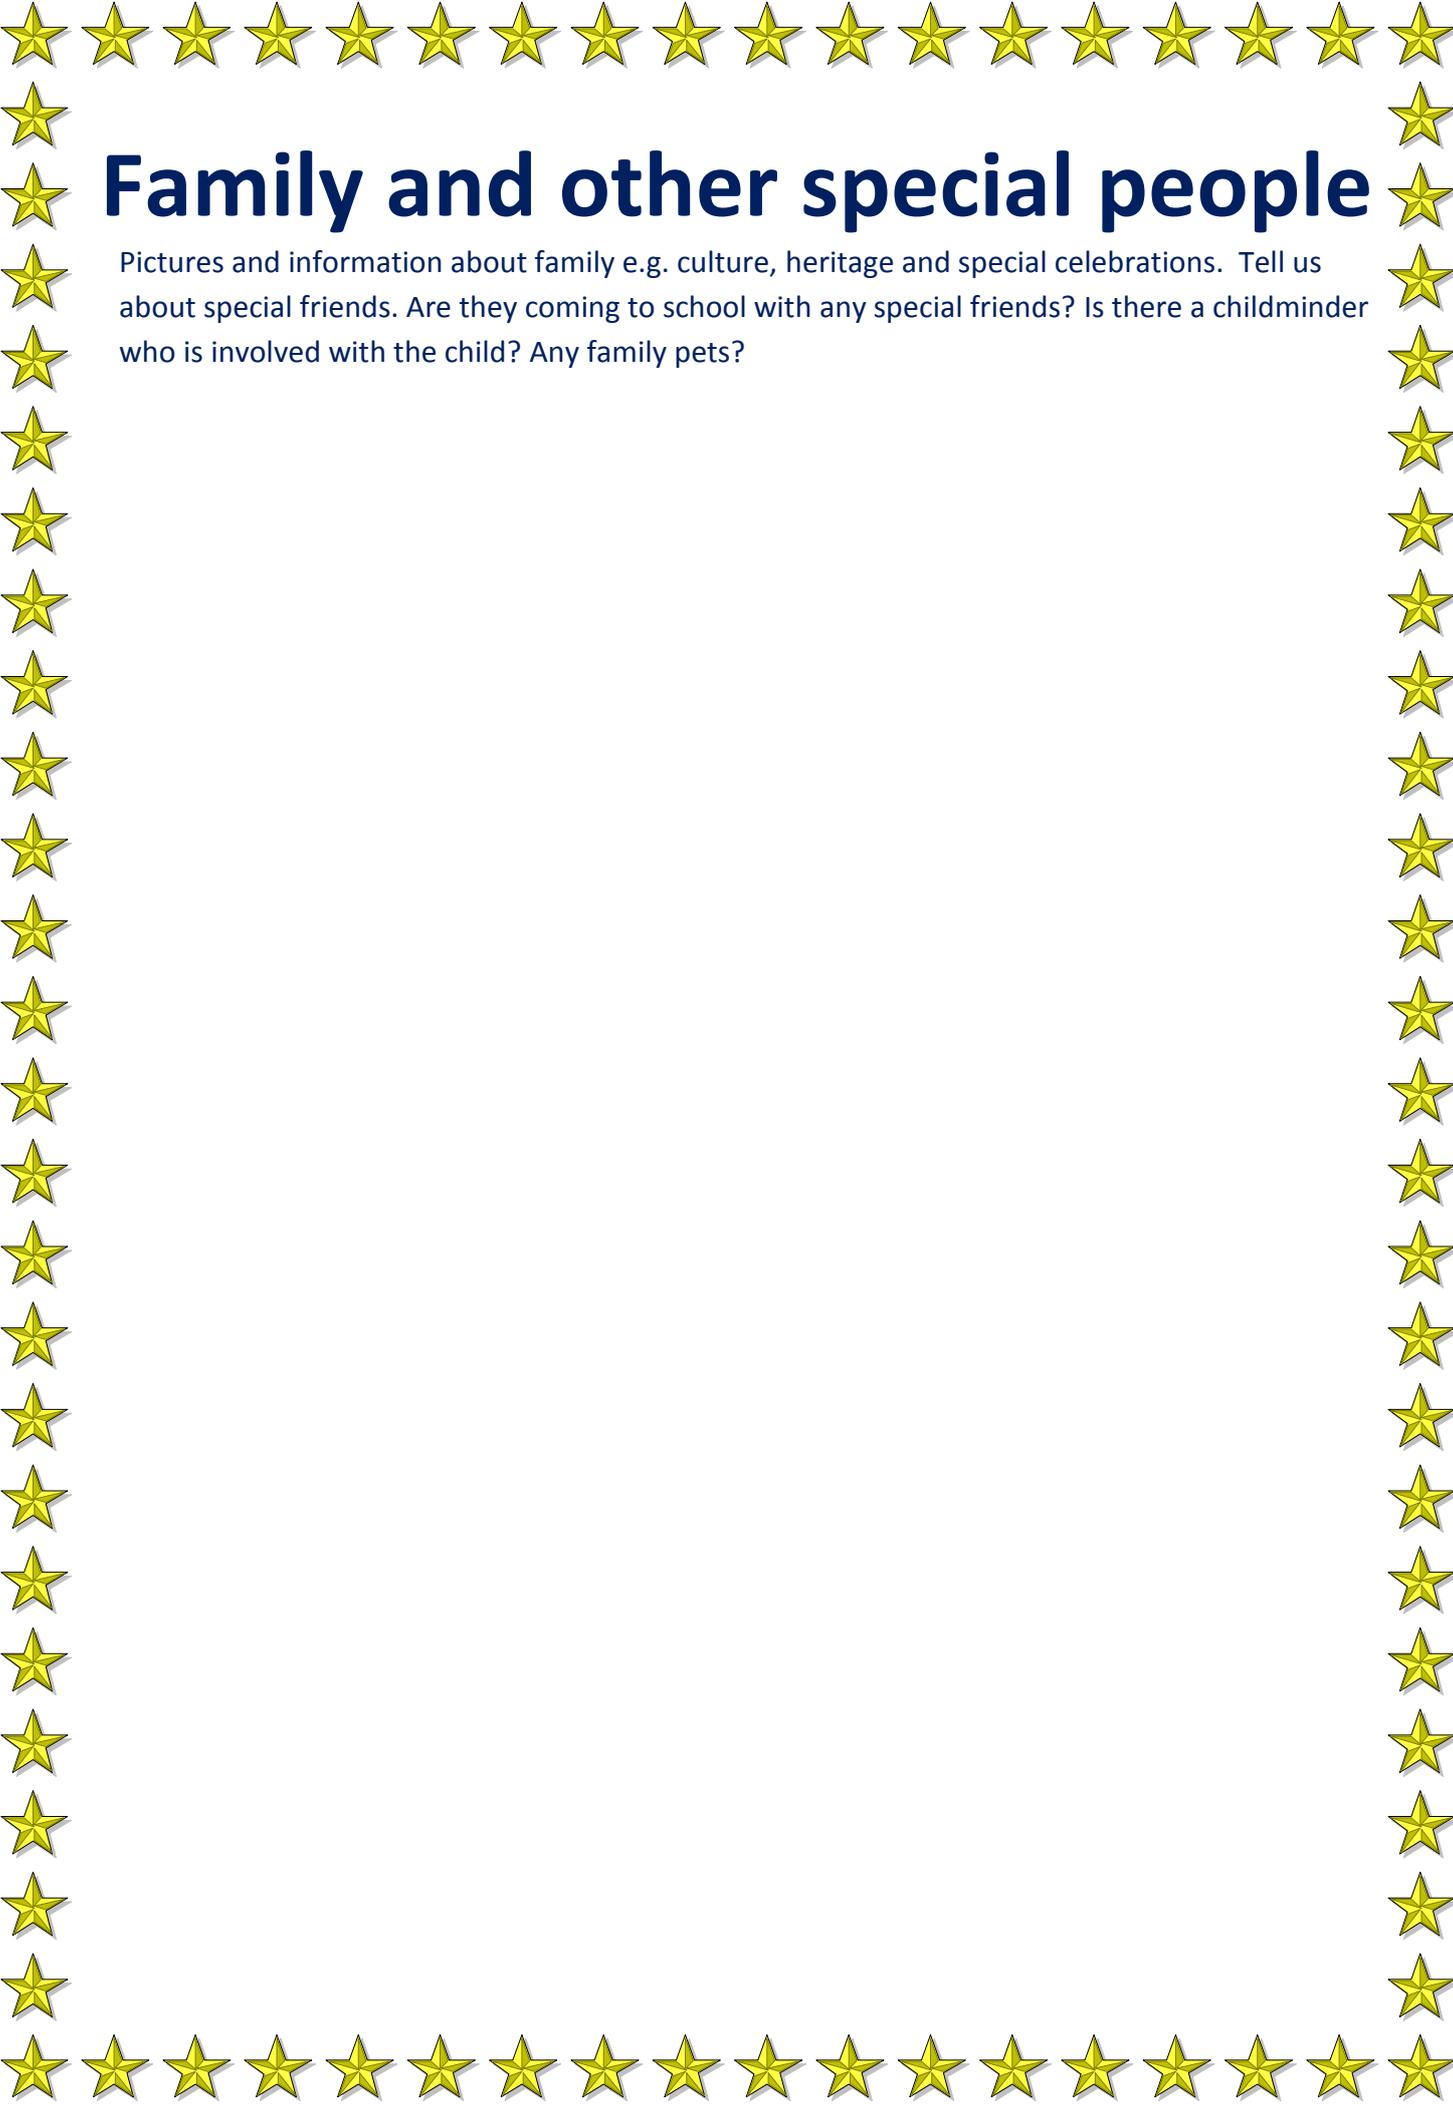

*Enjoy making this book
together!*

You will have the opportunity to talk to staff about anything that is confidential that you don't want to put in this book.

Caring for my child

What motivates or excites them? What calms them? What helps them to feel secure and confident? Feelings, worries or concerns... perhaps about starting school... What affects their behaviour?

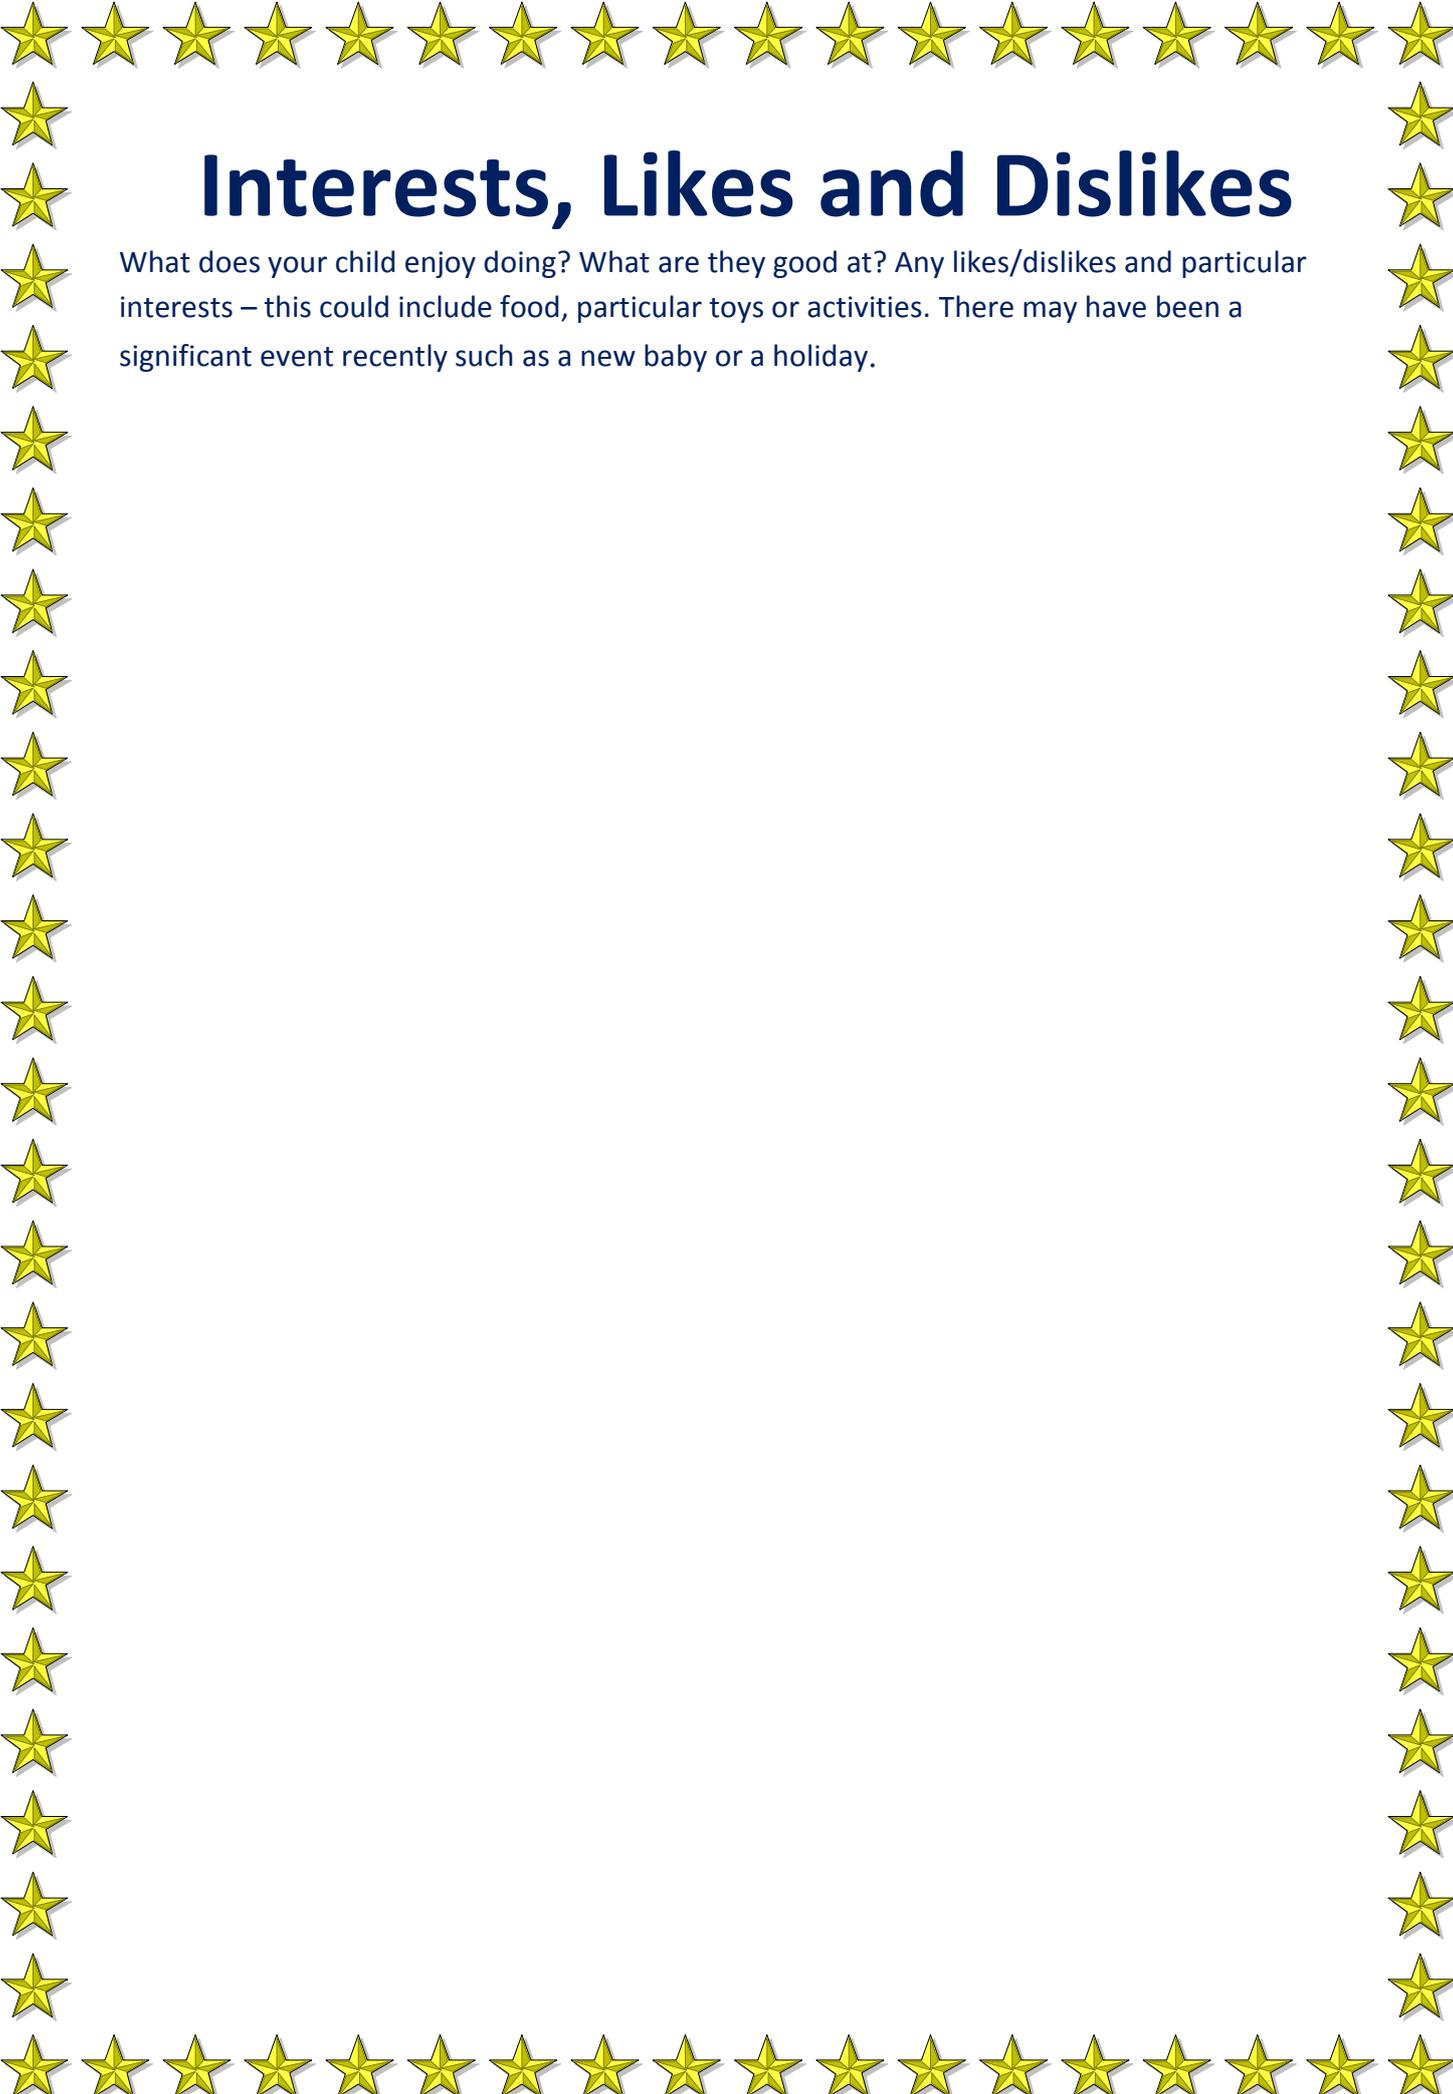

Family and other special people

Pictures and information about family e.g. culture, heritage and special celebrations. Tell us about special friends. Are they coming to school with any special friends? Is there a childminder who is involved with the child? Any family pets?

A decorative border of yellow stars with black outlines surrounds the page. The stars are arranged in a rectangular frame, with 15 stars along each side.

Individual Needs

What helps them to be independent? e.g. with eating, dressing, toileting... Do they have any particular words or ways of showing that they need something? Do they have any physical and/or medical needs and how are these met? Do they have any allergies?

A decorative border of yellow stars with black outlines surrounds the text. The stars are arranged in a rectangular frame, with 15 stars on each side.

Interests, Likes and Dislikes

What does your child enjoy doing? What are they good at? Any likes/dislikes and particular interests – this could include food, particular toys or activities. There may have been a significant event recently such as a new baby or a holiday.
