

Red Class Home Learning

Autumn 1: Me and My Amazing World

Daily / Weekly

- **Reading:** please share a book with your child each day and discuss books that are read. Who was the main character? What did they do? Where did the story take place? How did they feel when...? How did the story end?
- **Number:** count everyday items/actions (pieces of apple on plate, steps up to bed, pens in a pot, chairs around a table, etc...)

Topic related activities

*These can be uploaded on Seesaw or brought into school at any time
before Monday 19th October and will be shared regularly in class.*

We would like you to **complete at least 3 of these** (but you can do more!)

- **Special box.** Put together a box of items which are special to you. This could include photographs of family members, a favorite toy, an item from a special person, a postcard from a holiday, etc..
- **Learn a song, rhyme or poem** (1, 2, 3, 4, 5 once I caught, Little Bo Peep, etc...) to perform and teach to the class.
- **Put together your family tree** Use photographs or draw pictures of family members. This can include siblings, grandparents, aunties, uncles and cousins.
- **Draw a map of your route to school** Take photographs of things you pass on your way to school (e.g. the big tree, Sam's house, etc...) and stick them on a drawn path or use crayons to draw your route.
- **Make a model of your home** Use empty boxes to build your home. You may want to paint and decorate it too.
- **Create a picture of you.** You could use paint, crayons, a computer or make a collage with natural resources.
- **Find numbers in everyday places and take photographs** (remote control, front door, car number plates, shoes, price tags, etc...)
- **With an adult, make a healthy snack.** This could be anything from a chopped apple to a healthy fruit salad.

Have fun!
