

ASSESSMENT & REPORTING

There are 4 strands to how we track **academic & other** progress and attainment:

- **Target Tracker:** for Reading, Writing, Maths & Science
- **Foundation Assessment:** for all other subjects
- **Class Profiles:** for overview of characteristics of each cohort
- **Character Education:** for all other opportunities eg sport, singing

TARGET TRACKER FOR READING, WRITING, MATHS & SCIENCE ASSESSMENT

EYFS use a separate tracker within TT to record progress. This should be updated in line with the rest of the school.

For Years 1 – 6 to the following assessments will help inform your TT judgement:

Subject	What	Frequency
Maths	Assertive Mentoring	Termly (plot on grid)
Arithmetic	White Rose tests	Termly
Multiplication tables	Caldecote Multiplication Tests	Termly
Writing	Statements in back of book	Ongoing but at least termly
Grammar	'Not as You Know It' tests	Termly
Spelling	High Frequency/ Common Word lists	At least termly
Reading	'Headstart' tests	Termly
Science	Caldecote Science 'Quizes'	Ongoing but at least termly

Results from these tests are then used...

- **Formatively** – to help teachers identify gaps and plan next steps
- **Summatively** – to report on progress. The table below shows how results from tests are used to provide a judgement about where the children are in terms of age related expectations

Code	Assessment Step
B	Beginning to access year group curriculum
B+	Some objectives secure (up to 50%)
W	Half objectives secure (50% +)
W+	Most objectives secure (75%)
S	All objectives secure
S+	Deeper learning, knowing 'why' and 'how' as well as 'that'; able to use knowledge flexibly and creatively and apply it to new and unfamiliar situations
